# Dedicated and personalized support for your patients and your practice

Elan A., RN, BSN  
Nurse Case Manager

## Aurinia Nurse Case Managers help simplify the patient journey

- As soon as your patients enroll in the program, they will be paired with a dedicated Nurse Case Manager who will help them stay on top of their Aurinia treatment, including processing the Start Form, confirming receipt of Aurinia medication, conducting monthly calls, and connecting them to resources
- Patients can contact their Aurinia Nurse Case Managers to ask questions, schedule check-ins, or simply for one-on-one support

## Field Access Navigators address regional, patient-specific access issues

- Field Access Navigators are local specialists who facilitate communication between Aurinia Alliance and your office to help you address obstacles to timely Aurinia treatment
- Call on your Field Access Navigator for information about local payer policies, assistance with prior authorizations and appeals, and for help resolving patient financial assistance needs
