

1 Complete the Patient Start Form

The Patient Start Form serves as both the prescription and enrollment form for the Aurinia Alliance™ program. Before submitting the Patient Start Form, ensure the following criteria are met:

- The Diagnosis Code box is checked: M32.14 Lupus Nephritis^a
- Prescription and Bridge Prescription are complete
- Confirm physician signature and date are present
- If available, patient signature and date^b
 - Note: The office cannot sign this form on behalf of the patient
- Front and back copies of the patient's insurance card(s)
- Inform patient to expect a call from the Specialty Pharmacy and the Nurse Case Manager at Aurinia Alliance; answering these calls is imperative for starting the medication**

^aGlomerular disease in SLE.

^bPatient consent is required for Aurinia Alliance support, and may be obtained by signing the Patient Start Form, or verbally through the Nurse Case Manager.

2 Collect clinical documentation

Our partner Specialty Pharmacies, if allowed by payer, can submit the prior authorization (PA) request directly to the insurance company. Please provide the following clinical information, **if available**:

- Confirmation of SLE diagnosis and date diagnosed
- Confirmation of LN diagnosis and date diagnosed
- LN ISN Classification (Class III, IV, or V), date classified, and biopsy results, if applicable
- Laboratory testing (ANA or other relevant auto-antibody testing [dsDNA], UPCR, C3, C4, and eGFR)
- Notes from consultation with a Nephrologist or Rheumatologist
- All previous therapies used to treat LN and reason for treatment failure
- All current therapies used to treat LN
- Reason this LN therapy is the preferred treatment
